An invitation to Parents, Carers and Families from the St Mary’s Staff and Students to our annual Twilight Easter Reflection

Wednesday 23 March at 6.30pm at the Holy Place on our Dakas Street Campus

Using an emotive narration, in a truly powerful and moving presentation the St Mary’s Performing students will depict the Passion of Jesus. The school invites the community to come together at twilight in the meditative garden setting and reflect on the last week of the life of Jesus and the true meaning of Easter.
