WELCOME
Welcome back to another exciting and productive term at St Mary’s College. I hope you had an enjoyable break and that all students and staff are recharged and ready for another busy term. A special welcome to all of our new students and families at St Mary’s and we are very happy to have you join our community. I am also delighted to welcome two of our past students Miss Rebekah Treacy and Mr Joshua Button. Rebekah will be working as an Aboriginal Teaching Assistant and Joshua will be working on a special art project with students on the primary campus. This term we also welcome Miss Louise Brown who is completing her teaching practicum in Year 6.

EXCHANGES
During the holidays, our cultural exchange students embarked on their journey to Melbourne. The students are staying with host families from Genazzano FCJ College and Xavier College, both in the suburb of Kew. The students have been accompanied by three of our staff members and as well as attending school they will be going on excursions in and around Melbourne. For those families new to the St Mary’s College, the first exchange commenced in 1988 to foster links between the three schools. This unique experience has seen lifelong friendships being forged among indigenous and non-indigenous families; an opportunity to nurture young Australian voices for social justice and reconciliation.

Next Wednesday our special visitors to the College will be students from our sister school in Taiji, Japan. I would like to acknowledge the students and families who have volunteered to host the six high school students, and I am sure that it will be a most rewarding experience for all students, staff and families. You are invited to attend a special assembly at the secondary campus on Thursday 30 August at 8:00am to welcome our visitors. The assembly will be held in the Performing Arts Centre under croft. There will be a full report of these wonderful exchange programmes in our next newsletter.

OBITUARY
We received the very sad news of the passing of the Bishop Emeritus of Broome and the Kimberley, the Most Rev. John Jobst DD in his homeland of Germany. Bishop Jobst was Bishop of Broome and the Kimberley between 1959 and 1995. We acknowledge the enormous years of service and the lifelong dedication which Bishop Jobst gave to the Kimberley, and in particular his passion to provide education for the Aboriginal children in this region. A memorial Mass was held in the Our Lady Queen of Peace Cathedral in Broome last Friday and a number of staff members were in attendance. Bishop Christopher Saunders concelebrated the Requiem Mass in Brennberg near Bishop Jobst’s childhood family home in Bavaria, Germany.

SCHOOL EVENTS
Parent Teacher Interviews
During the holidays academic reports were sent to you detailing your child/children’s progress at school throughout Semester I. May I remind you that there is a secondary parent/teacher interview night on Wednesday 30 July. This will be a wonderful opportunity for you to catch up with the teachers and discuss your child/children’s report. Primary parents are also encouraged to make a mutually convenient time to meet with their child’s teacher to discuss the Semester I reports.

Welcome back to Term Three! I hope all families have had an enjoyable and relaxing break and are ready for the busyness that always seems to occur at this time of year.

**PARENT/TEACHER INTERVIEWS:**

These are being conducted next Wednesday from 2.30pm till 7.30 pm in the Library and the Health and PE room. Reports were posted early in the holidays and all families should have received them by now – please contact the office if you have not yet received your student’s report. Enclosed with the report was a booking sheet that students need to take to each of the Teachers that you would like to meet with and they make a booking for a suitable time slot. If you are unable to attend on the night, staff are more than happy to make contact with you via phone or email.

Students are encouraged to come along to the interviews with their parents/caregivers.

**UNIFORM:**

Students have again been reminded over the importance of always wearing the full and correct school uniform in order to present a positive image in the local community. Many thanks to those students and families who ensure that this occurs – your assistance in this matter is greatly appreciated. Students have been given until next Wednesday to make sure that their shoes are appropriate – after that there will be consequences for the students. However, if there are circumstances which make it difficult for families to meet our requirements please contact us to arrange a solution. Students who consistently fail to wear the correct uniform will also face consequences. We are only too happy to assist if required but if we don’t know about it we can’t help!

**ATTENDANCE:**

Again punctuality was highlighted as an important aspect to every school day – not just arriving to school on time but being organised and ready for classes and prompt to lessons, especially after Recess and Lunch.

**TAIJI VISITORS:**

Our visitors from Taiji arrive next Wednesday and will be in classes on Secondary on Thursday. We will have a special assembly to welcome them at 8.00am next Thursday.

**PARENT INFORMATION NIGHTS:**

Due to the many changes to the WACE 2016 it has been decided to hold 2 separate parent nights. **Year 12 2015 Parent night will be as per the Calendar, that is Wednesday 13 August. The Year 11 2015 Parent information night will be Wednesday 20 August.** It is hoped that all students and parents/caregivers can attend these important meetings.

**BISHOP’S LITERACY ASSESSMENT**

Next week, students in Years 3, 5 and 9 will complete the Bishops’ Religious Literacy Assessment. This is a curriculum based assessment which reflects and supports the progressive nature of the K-12 Religious Education Units. It focuses on students’ ability to recall content about the Catholic religion and to assess students’ knowledge and understanding of Religious Education, it does not measure students’ faith. The intended purpose of the assessment is to provide individual schools with a snapshot of student performance in Religious Education.

**AMENDMENT TO SCHOOL DATES TERM 3**

Please remember the secondary staff professional development day, scheduled for Monday July 21 has been postponed until Monday August 11 due to the availability of the presenter, Dr John Munro. **Monday, August 11 will be a pupil free day for secondary students only.**

**THANK YOU**

Over the holidays a number of projects were undertaken at the College. I would like to thank the following parents for their assistance in completing the work, Mr Phil Belfrage for the replacement of the insulation in the administration building, Mr Darren Bulstrode his concreting work and Mr Bronte Howard for his brick paving and steel fabrication in the Pre Primary area. Thank you also to our Grounds and Maintenance Team who worked throughout the holidays to upgrade facilities on both campuses.

Finally parents are the first educators of their children and we thank you for entrusting them to us as your partners in your child’s education. Good communication between the parents and the school is important to form a strong partnership and will enrich the learning experience. As always, all parents are encouraged to maintain strong communication either personally or electronically to strengthen our three way partnership between families, students and the College.

---

FROM HEAD OF SECONDARY

Welcome back to Term Three! I hope all families have had an enjoyable and relaxing break and are ready for the busyness that always seems to occur at this time of year.

**PARENT/TEACHER INTERVIEWS:**

These are being conducted next Wednesday from 2.30pm till 7.30 pm in the Library and the Health and PE room. Reports were posted early in the holidays and all families should have received them by now – please contact the office if you have not yet received your student’s report. Enclosed with the report was a booking sheet that students need to take to each of the Teachers that you would like to meet with and they make a booking for a suitable time slot. If you are unable to attend on the night, staff are more than happy to make contact with you via phone or email. Students are encouraged to come along to the interviews with their parents/caregivers.

**UNIFORM:**

Students have again been reminded over the importance of always wearing the full and correct school uniform in order to present a positive image in the local community. Many thanks to those students and families who ensure that this occurs – your assistance in this matter is greatly appreciated. Students have been given until next Wednesday to make sure that their shoes are appropriate – after that there will be consequences for the students. However, if there are circumstances which make it difficult for families to meet our requirements please contact us to arrange a solution. **TAIJI VISITORS:**

Our visitors from Taiji arrive next Wednesday and will be in classes on Secondary on Thursday. We will have a special assembly to welcome them at 8.00am next Thursday.

**PARENT INFORMATION NIGHTS:**

Due to the many changes to the WACE 2016 it has been decided to hold 2 separate parent nights. **Year 12 2015 Parent night will be as per the Calendar, that is Wednesday 13 August. The Year 11 2015 Parent information night will be Wednesday 20 August.** It is hoped that all students and parents/caregivers can attend these important meetings.
We hope you had a wonderful holidays with your families. The children have returned to school ready to commence Term Three and it was so nice to see all the happy faces from the students and parents as a new term commenced. We welcome many new families to our campus this term and we hope that they all feel welcomed by their classes, it is great to be able to have new students to share their gifts and talents with us.

**YEAR TWO R MASS**

Next Friday The Year Two students will be celebrating Mass together at the Nulungu Chapel at 8.45am. This is a wonderful way for parents and caregivers to celebrate the faith life of our College. Please come along and join us.

**BISHOPS’ RELIGIOUS LITERACY ASSESSMENT**

Next week our Year Three and Five students will participate in the Bishops’ Religious Literacy Assessment. It is an opportunity for us to explore students’ Religious knowledge and how we can best support our students in the area of Religious Education. We look forward to sharing the results with families when they are received.

**NEW FACES ON PRIMARY**

This term we welcome Miss Rebekah Treacy to the Primary Campus in our Pre Primary SW class. Miss Rebekah has settled in so well thanks to the welcoming students and families in PPSW. We also welcome Miss Louise to Year 6D. Louise Brown is completing her final practicum through the Curtin University and we feel very blessed that she has chosen to complete this experience at SMC. We hope both of these ladies enjoy their time on primary.

**SACRAMENT OF CONFIRMATION**

Next term some of our Year Six students will be celebrating the Sacrament of Confirmation. Enrolment Masses and Parent Evenings will be held during this term. Please ensure that your child has registered their participation to celebrate this sacrament.

**YEAR FIVE & SIX CAMPS**

In a few weeks our Year Five and Year Six students and their teachers are getting ready for their Camps. The Year Fives will be camping in Barn Hill and will be having a Parent Information Evening next Wednesday to learn more about the details of this adventure. Our Year Six students will be travelling to the Pilbara to attend the Dampier Camp School. We hope that our students are looking forward to these experiences.

**STAFF PROFESSIONAL LEARNING**

This week Mr Ed has flown to Perth to attend a two day course to assist in furthering our Rock and Water Program at SMC. Miss Rebecca will be flying to Perth next week with Miss Sam to visit some schools using ICT effectively and attend a course to support the use of our new Chrome Books on Primary. Our Pre Primary Teachers and some members of our Literacy team will be meeting with other Early Childhood staff to look at the most effective teaching and learning programs for early literacy next week. We look forward to these teachers returning to school to share their new knowledge.

**PLAYPOD**

This term we have commenced our Play Pod. Our students have enjoyed the opportunity to play with different materials and objects to extend their creativity and exploration. A huge thanks to our ECE staff, the P&F Committee, Miss Keryn and Miss Nat Giancono who generously donated time during their holidays to make sure that we had this ready to start for the beginning of Term Three. We look forward to sharing more information about our PlayPod with you all very soon. Please ask your students in Year One and Two all about this fun!

All the best for a fabulous fortnight ahead. Please make sure that you come and visit us on Primary this week.
YEAR 1 & 2 LOVING THE NEW PLAYPOD
St Mary’s College Cultural exchange to Melbourne

Our host families met us at the airport, although it was freezing cold it was good to see our host sisters and brothers. It was hard separating from the other Broome students and going home with our host families, but our families made us feel comfortable and happy.

Going to Genazzano we felt unsure and a bit scared on Monday morning, we went straight into classes to start to do our presentations to the Genazzano students. We were nervous at first but by the end of the week it got easier. We went to different classes and really enjoyed Visual Communication, art, music, drama and PE classes as well as visiting classes in the ELC.

We have been to basketball training and played in the Genazzano basketball team on Saturday. Wednesday was a pupil free day and for some of us our host sisters took us ice-skating at Ice-house and Revona and Keely went to the snow at Lake Mountain!

School started at Xavier college on Wednesday, so the boys had time with their host brothers and visited Xavier College, we went sightseeing, to the movies, and played football. Going to school and attending classes has been a different experience. The boys have been to football training, and Byron to soccer training, the outcome being all students playing in Xavier College teams last Saturday.

After the first week in school, this week we are going on excursions in and around Melbourne this week. Visiting Indigenous Hip Hop studios, MCG, Sacred Heart, Xavier College Burke Hall and Worawa Aboriginal College in Healesville.

St Mary’s College Cultural Exchange students - Keely, Revona, Natasha, Sharee, Annika.
Primary Interschool Football/Netball Carnival

On Friday 27th June, 39 eager students set off from St. Mary’s College at 6am for the long bus trip to Derby for the annual West Kimberley Interschool Football and Netball Carnival. The 2 netball teams and the football team had been training all term in preparation for this event.

The footballers started off with a gutsy win against Cable Beach, a team previously unbeaten during the Eagle’s Cup Competition. Kyal Highlands and Riccardo Grande starred for St. Mary’s in this game, getting us over the line by a goal. Next up the team easily accounted for Broome Primary and then went down by a solitary point to Holy Rosary. After this game Mr Joseph, the head coach, delivered a stirring speech to the team and it worked – St. Mary’s easily won their last 2 games of the day against Looma Remote School and Derby District High, winners from last year.

2 teams had lost one game for the day – Cable Beach and St. Mary’s – so it came down to the total score kicked by each team to determine the winner, and St. Mary’s got up by 2 points!! Congratulations to the team for being the West Kimberley Football Champions! Fynn Stokes, the captain, once again led from the front in all of the games, marking strongly and tearing games apart with his long kicking. Other notable contributors were P.J. Djagween, Aidan Dann, Kyal Highlands, Jacob Cousemacker, Waylon Hunter, Matt Linton, William Holmes and Riccardo Grande.

The Netball Carnival was also a very successful day for St. Mary’s with both Division A and B teams winning the competition. Each team played five games against Broome, Derby, and Looma schools and they managed to step up and show the Kimberley what St. Mary’s College netballers are made of. Division A was undefeated and division B won four of their five games.

All the girls played tirelessly all day and gave 100% in their efforts. There were some exceptional performances from Jasmine Tong, Lani Pigram and Lily Bratovic from B division, as well as Breeana Scott, Caitlyn Hamaguchi and Matilda Ogilvie-Dia from A division.

A huge thank you to Miss Harriet, Miss Michelle, Mr Sonny and Mr Joseph for their expert coaching throughout the term and congratulations to all of the competitors!

Year 10 Work Experience

Last term, Year 10 students started exploring Work Experience possibilities. Taking place from Monday 22nd to Friday 26th September (last week of term), Work Experience is a great opportunity for students to develop employability skills that can be used in any workplace and be exposed to an occupation or industry that has genuine career interest for them. As part of the employability skills and career development process, students are encouraged to actively seek their placement by asking family members and friends for assistance and to directly contact employers.

Students have been given the necessary information and forms to pass on to potential employers. Once a verbal agreement has been made, students are to advise me so I can formalise the process directly with employers and parents / guardians. St Mary’s College parents are encouraged to contact me if they have a business or are employed in a workplace that may be able to host a student for Work Experience.

Please contact me if you have any queries regarding Year 10 Work Experience.

Aidan Mitchell
VET and Careers Coordinator

Visit worldwidelearningacademy.com for instant access to the free eBook – “Read, Spell, Write, Right?”

ICAS (International Competitions and Assessments for Schools) Update

Last term eleven students from Years 3 - 8 completed an ICAS exam based on Computer Skills. The test covered the following aspects of computer skills:
• General skills
• Word processing
• Graphics/Multimedia
• Internet/Email
• Spread sheet/database

The results have arrived and students were awarded 1 Credit, 2 Merit and 8 Participation Certificates. Congratulations to all students. This term students will be completing exams in Mathematics and English. Stay tuned for more ICAS results as they come.

BOXING @ PCYC

Boxing classes available
Monday 8.15am,
Wednesday 8.15am and
Friday 8.15am (circuit)
Classes cost $10 ($8 if member)
Crèche available
Small groups, great way to get fit!!
