ST MARY’S COLLEGE NEWSLETTER

FROM THE PRINCIPAL

Michael Pepper

The past fortnight has been incredibly busy with our students involved in the celebration of Book Week, Science Week and Literacy Week at St Mary’s. Secondary students have also attended the Follow the Dream Camp and the Clontarf Rewards Camp. Thank you to all the staff and students who have contributed to making these events so successful providing an enhanced learning experience for our students.

Child Protection Week 7 – 13 September

Next week is Child Protection Week throughout Australia. This year, the Child Protection Week campaign stresses the importance of primary prevention to reduce child abuse and neglect in Australia. The theme again this year is ‘Protecting Children is Everybody’s Business – Play Your Part’. Our school has a range of resource brochures available from the administration office entitled Listening to Children, Listening to Young People, Keeping Children Safe from Sexual Abuse, 30 Ways to Boost a Child’s Confidence and a Parents’ Guide to Online Safety. Electronic copies have also been emailed with this newsletter as an attachment.

I encourage all parents and carers to take some time in the coming week to familiarise themselves with the important information and advice about how to keep our children safe.

NAPLAN

NAPLAN (National Literacy and Numeracy) reports for students in Years 3, 5, 7 and 9 will be mailed to parents in the coming fortnight. The tests were administered in May this year with over one million students from over 10,000 schools participating in the tests. The results will show you how your child is performing compared with other Australian students and in relation to national minimum standards. Accompanying each report will be an information brochure for parents. Parents who have questions related to their child’s performance are encouraged to speak with their child’s teachers.

Open Afternoon/Evening and Wilburu Art Exhibition

Yesterday we held an Open Afternoon on the secondary campus showcasing the many learning areas and subjects on offer from Year 7 – Year 12. Thank you to the many parents and students who attended the event and to the students and staff members who assisted in preparation for the day. On Monday evening September 8th we look forward to the primary learning journeys and the opening of the Wilburu Art Exhibition at 6.00pm. All parents are encouraged to attend these important events. Thank you to staff and students for your great amount of time and effort in preparing for the learning journeys and the Wilburu Art Exhibition.

Secondary Arts

It was a pleasure to be at the recent opening of the secondary Arts Show, with work showcased by students from Art, Music, Drama, Dance, Photography, Woodwork and Hospitality. Thank you to the staff who worked so hard to present our very talented students work in such a professional manner. Congratulations to every student who participated in the exhibition. Our secondary students also performed exceptionally well in their performances at the Catholic Performing Arts festival in Perth. Honourable Mentions were received by the Year 8 Drama Group for ‘ANSTASIA’S POOL’, the Cultural Dance Ensemble for their piece titled ‘BUNGARUN’ depicting the Leper colony at Beagle Bay, Chelsea Seibert for her Solo Vocal entry, and to Kiara Malcolm and Grace Cuzens for their Drama Solos. Merit Awards were presented to the Contemporary Dance Group ‘Soft, Soft, Loud’ and our Senior Dance Groups ‘Come Get it Bae!’ Well done to all students on your great success.

Year 7, 2015 Information Evening

A reminder to Year 6 parents that at 6.00pm on 17th September on the secondary campus we will be holding the Year 7 Parent Information evening. This is an important evening that will provide information for both students and parents about the exciting transition from the primary campus to the secondary campus.

Father’s Day Prayer

Thank you, friend Jesus,
for my father who loves me,
for my grandfather who cares for me
and for God, my eternal father,
who made me and is always with me.
How Blessed I am!
Amen
With exams and tests fast approaching I thought it might be timely to remind students and families that attendance at this time of term is especially important. If students are away they are missing valuable revision and consolidation time or assessments. Remember that EVERY DAY COUNTS!

Here are some hints and tips about how to study that may be useful for some students:

**Break it down:** make a list of small, achievable study steps – perhaps summarising a chapter – and tick each item off as you do it.

**Make a space:** Decide on an area to study in and don’t do anything else there! Make it a clean, well lit, comfortable space so that you’re not constantly getting up and walking away.

**Take breaks:** Don’t force yourself to push through when you are tired. You can only absorb so much in one sitting. Try to take at least a ten minute break for every hour that you do study.

**Revise:** Instead of working your way from one end of the text book to the other, take time to go over what you have already studied in previous sessions. This will help it sink in and become more accessible in your memory.

**Take the pressure off:** Working up to exams can be pretty stressful. If the pressure is motivating you, and isn’t a problem, great! If it’s getting to you, you can relieve it by getting some time away from study, revising your expectations or talking to people who you feel are putting extra pressure on you.

Thank you to all the families who have attended recent parent information evenings regarding subject selections for next year. All current Year 10 and 11 students should have returned their subject selection forms to Student services by now. If your form has not been returned you may miss out on some of your choices.

Year 10 students have been undertaking Round 2 of the Online Literacy and Numeracy Assessments (OLNA) this week with the Writing and Reading components completed this week and Numeracy will be completed next week. These OLNA tests are necessary for students to meet the Literacy and Numeracy requirements to achieve their Western Australian Certificate of Education (WACE) at the end of Year 12. This is a new development this year but will impact on all students continuing on to Year 12 in future years.

Secondary Assembly will occur next Wednesday 10 September, in the undercover area of the Dance/Drama/Music rooms and parents are welcome to attend. The whole College end of term assembly will occur the following week 17 September in the PE undercover area. Certificates of Excellence will be presented and all parents are welcome to attend.

---

**Professional Learning**

On Monday I was fortunate to travel to Perth with Ms Coby, Ms Michelle, Ms Sara and Ms Keryn to attend the CEOWA State Curriculum Conference. Over 1100 teachers and delegates from Catholic schools in WA attended the conference. The key note speakers were Professor Lyn Sharratt from Ontario, Canada and our Director of Catholic Education, Dr Tim McDonald. Professor Sharratt is a world renowned leader in leading school improvement. Today, we are extremely fortunate to have Professor Sharratt visit our school as part of a visit to catholic schools in the Kimberley. Her most recent work has centred on improving student literacy and using data to drive improvements in instructional practice lead by school leaders and teachers. Dr McDonald gave an inspirational address focussed on student behaviours in schools and strategies for raising student achievement in schools.

**Carnivals**

The past fortnight has been a busy time for our students competing in the Primary Inter School Athletics and the Secondary Inter House and Inter School carnivals. Our student performances were outstanding with an obvious commitment by all competitors to achieve their personal best. To all students I thank you for your outstanding efforts and thank you to the many staff and parents who assisted in the carnivals.

**Staff Farewells**

During the past fortnight we have farewelled Ms Jayde Morris and Ms Janette Ryan. Both Janette and Jayde have worked as teacher assistants for students with special needs. We thank both Jayde and Janette for their outstanding service to St Mary’s College and wish them well for the future. Janette and her husband Noel are expecting the arrival of their first child in the coming weeks. We wish Janette and Noel well as they begin the exciting journey of being parents. We welcome new staff Mrs Robyn Hamaguchi and Maggie Ryan, who will be replacing Jayde and Janette.

---

**FROM HEAD OF SECONDARY**

*Di Popovich*

With exams and tests fast approaching I thought it might be timely to remind students and families that attendance at this time of term is especially important. If students are away they are missing valuable revision and consolidation time or assessments. Remember that EVERY DAY COUNTS!

Here are some hints and tips about how to study that may be useful for some students:

**Break it down:** make a list of small, achievable study steps – perhaps summarising a chapter – and tick each item off as you do it.

The whole College end of term assembly will occur the following week 17 September in the PE undercover area. Certificates of Excellence will be presented and all parents are welcome to attend.
Primary Campus Open Night & Wilburu Opening
This Monday evening we celebrate all the wonderful, amazing work that your children have been doing in their classrooms when we open the doors at 6pm. Please make sure that you come along and support your children as they show you around their classrooms. Our students will display their brilliant Art Work as we open the Wilburu Art Exhibition which will be on show all week in our Art Room. Our Choir students will be performing for us, as well as our Year Three students singing their Yawuru songs for us all. We will also be trying to raise lots of money for our Numeracy resources by selling delicious Hot Beef Rolls and icy cold drinks. Please come along and celebrate this community event for our College.

Shinju Matsuri
The excitement of Shinju Matsuri commences this Friday and we hope lots of families are able to join in this wonderful community celebration. Our Wilburu Art Exhibition features on the festival program, so please make sure that you attend the Opening on Monday evening 8th September or sometime during the week. Our students in Years 3-6 were treated to the Jazz Musical talents of a visiting musician, Dr Allen Zavod for Shinju. It was engaging and a wonderful opportunity for them to see such a talented musician, thanks to Miss Robyn for organising this fun event for our students.

Library
Thanks to Miss Di for her hard work and our students and teachers for their patience as we transition our Library program to a new system, Oliver. The new system will be a fabulous tool for all once it is up and running. Keep enjoying the Library and borrowing lots of books!

Special Education Centre News
This week we sadly farewelled two of our sensational staff from the Students with Special Education Centre Team. Jayde Morris has been a part of the SMC community for such a long time and we thank Jayde for the positive contribution she made to so many staff and students. We will miss Jayde and wish her well in her next adventure. Jannette Ryan also left our team for an exciting adventure of motherhood. We wish her well and thank her for her kind, caring and empathetic approach to our students with disabilities. We know she will make such a beautiful mum. As these two amazing ladies leave our team, we welcome two new fabulous staff to our team. It is so lovely to have such passionate and enthusiastic staff join our team. Please welcome Robyn Hamaguchi and Maggie Ryan when you see them around.

Professional Learning Opportunity
This week we have been lucky enough to have four staff from Primary attend the Primary Curriculum Conference. The Conference focused on engaging students and we learnt some wonderful and exciting new skills to bring back to our school. Staff were lucky enough to visit several schools including Mary MacKillop Catholic Community Primary School Ballajura, Mater Christi Yangebup, Our Lady of Mount Carmel Hilton and Clontarf Aboriginal College Manning. These Catholic Schools welcomed our staff and were so willing to share their knowledge and resources with us. Our visits were invaluable to our school’s vision and development.

P&F Disco
On Friday 19th September our super P&F team have been nosily organising a Disco for our students. There will be a K-2 session from 4:30-5:30 and a years 3-6 from 5:45-7:00pm. Parent support with this event would be greatly appreciated. We are sure the students will have loads of fun dancing away at our 2014 Disco.

Wishing you our Dad’s a Happy Father’s Day on Sunday, we hope you all have a special day with your children.

All the best for a fabulous fortnight ahead. See you all at our Open Night on Primary at 6pm.
Year 7 Kids Cooking up a Storm

On Saturday 23rd August our students Mariessa Pucci, Year 7 and her sister Sumyiah Pucci, Year 6 competed in the Monsoonal Blue Cupcake Competition as a fundraiser for the Royal Flying Doctors. Sumyiah won first prize in the competition with a set of butterfly cup cakes and Mariessa won second place. Congratulations girls!

Mariessa is currently studying Year 7 Food Technology with Ms Bette and Ms Fran and has been an inspiration to the students.

Bette Lake
Food and Textiles Teacher

Heritage Centre

On Thursday 21st August Year 7.3 visited the Heritage Centre. The purpose of us going there was to learn more about the history of the Stolen Generation and orphans in the Kimberley.
In class we read Stolen Girl about a girl who was taken from her family and sent to an orphanage with other Aboriginal girls. We learnt a lot of the history of our school and the orphanage in Broome and we also searched photos of our family members. We went for a little tour around the “Relationships Exhibition” and “Undaunted” and saw what life was like, what sort of clothes and things they used back then.
We also talked to the Sisters and other people who have lived and worked in the orphanage.

By Woora, Mitchell, Mariessa, PJ, Rayliegha, Lara, & Aiden

Our Veggie Garden

Earlier this term our Year 7 class measured out a garden bed and then decided what vegetables we would buy. We walked to Bunnings Warehouse to buy seeds and seedlings for our Veggie Garden. We bought a variety of vegetables including carrots, corn, lettuce, tomato, cucumber, pak choy, broccoli, watermelon, chilli, strawberries and capsicum.
When we returned we decided where we would plant our vegetables and measured how far apart each seedling or seeds needed to be.
We have been watering the garden every morning and afternoon and at the moment it is looking really good!

By Woora, Mitchell, Mariessa, PJ, Rayliegha, Lara, & Aiden

Art Show Raffle

The Art Show Raffle was drawn Wednesday night at the Information Evening for Years 8 and 9.

The lucky Winners are

1st Prize, Pearls from Allure South Sea Pearls—Kristen Orazi (mother of Patrick Dawson in Yr 7)

2nd Prize, Simon Hills Winning Painting ‘Our Son Home’ - Mark Deliar (Secondary Teacher)

3rd Prize, Damien Kelly’s Photograph—Joanne Cavin (sister of Helen Casalis)
West Kimberley Primary Interschool Athletics Carnival

The West Kimberley Primary Interschool Athletics Carnival was held at St. Mary’s Oval on Friday August 29th. This year 7 schools competed for the coveted shield. The grounds and oval looked magnificent thanks to the outstanding work of Ralph and his colleagues. A huge number of parents and friends were also in attendance which made the atmosphere electric. There were some amazing performances by all of the students with the shield once again being taken out by Roebuck Primary. The equity shield, for most improved school, was won by Holy Rosary Derby, congratulations on a huge effort! These carnivals are not possible without a team effort so many thanks to the parents, Natalie Newton, Tiana Leak, Lisa Drage and Luilyn Wilson for helping out on the day. The teachers from St. Mary’s who were also in attendance demonstrated great teamwork, as were the parents and staff from the competing schools. A special thank you to the Head boy and girl, Daniel Ralph and Lani Pigram, and all of the Sports Captains who did a fantastic job helping out on the day. The teachers from St. Mary’s who were also in attendance demonstrated great teamwork, as were the parents and staff from the competing schools. A special thank you to the Head boy and girl, Daniel Ralph and Lani Pigram, and all of the Sports Captains who did a fantastic job helping out on the day. The tables below show the final scores for the shields as well as highlighting some great individual performances by our athletes. Well done!

Science Week

Explosive Science captured the imagination of both students and staff on the secondary campus this year during Science Week. The week began with much anticipation as the “Get spotted doing Science” competition was launched. Students in all year groups worked very hard during the week for a chance at winning the much coveted mini nano helicopter. The winning name will be drawn at next week’s assembly. Ten other prizes will also be awarded to the lucky students who got spotted.

Students in PCG’s also participated for prizes during the week with a range of questions across the disciplines: Biology, Chemistry, Physics and Earth Sciences. The winners were confined to the WARD houses, with a consolation prize to RICE house. Well done WARD!

The highlight of the week for both secondary and primary students was the explosive experiments happening in the Science labs on Wednesday. Milo tin bombs, coloured flames, hydrogen bombs, flying rockets and a host of other activities excited and ignited the minds of the students.

The highlight of the week for the staff was the morning Brain Break sponsored by the Science department. Many staff won lots of prizes and Miss Rani, budding scientist got the body puzzle challenge and won a lot of goodies.

A big thank you to all the staff and students for their support with the ventures during Science week. I would also like to take this opportunity to thank the amazing Science team: Orin Casey, Bette Lake, Mark Ross, Brad Carmody, Carrie Ann Phillips and, a gem of a lady who keeps the wheels turning in Science, Lily Merrill.

Diane Latchman

Footy Tipping 2014

Congratulations to Craig Jones who has won our Footy Tipping for 2014. Craig won $2000.00!

The following people haven’t collected their winnings from various rounds:

Winner Round 4 – Joshy - $50.00
Winner Round 5 – Cabes - $50.00
Winner Round 10 – Ronnie and Kristy Francis - $25.00 each
Winner Round 12 – Cat Man - $50.00
Winner Round 15 – Frey Smith - $50.00
Winner Round 21 – Hartly - $50.00
Winner Round 22 – cblcf2 - $50.00
Winner Round 23 – Kingy - $50.00

Please collect as soon as possible and thank you to all the tippers for supporting our Year 5 and 6 Camps.
Book Week 2014 - ‘Connect to Reading’

St Mary’s Primary students ‘connected to reading’ in a wonderful way this year with some exciting and engaging events. We launched Book Week on Monday of Week 5 with an amazing assembly hosted by Year 1V who dressed up as super readers and book fairies. They told us how much they loved reading and involved us in their song before unfurling our magnificent banner.

Tuesday brought us the magical ‘Stories under the Stars’ with an entertaining array of stories and storytellers around a roaring fire. One of the highlights was a surprise spontaneous story by local author Brenton McKenna which was enjoyed by all. The wonderful P&F provided supper for upwards of 150 people and everyone took a little of the magic away with them.

Thursday brought ‘The Big Book Swap’ which was brilliantly advertised and run by our Library captains and vice captains. About 100 students eagerly brought in their preloved books and went away with heaps of new reading material. Everyone was happy and it may well be something we run on a regular basis.

Friday however was the most exciting day of all. Nearly every student came to school dressed as their favourite book character and full of excitement for the Grand Parade. A group of dedicated teachers acted out some of the books we had been studying, much to everyone’s delight. Who would have guessed that Mr Tim would be such an amazing King Pig! Or that Mr Sonny would make such a dashing sheep!

Then each class marched around the Undercover area showing off their creativity and some were interviewed about the books they represented. Some of the costumes were truly incredible! Prizes were awarded and everyone went home tired but very happy. A real highlight was having some of the Secondary students come and march with us in costume. Well done guys – perhaps this could be a regular event!

Another highlight of the week was the 2014 Reading Challenge. The challenge was to read silently for 2014 seconds or 33 minutes 34 seconds. All classes from Years 2-6 tried it and succeeded! It was a fantastic Book Week and one we will all remember!
A big thank you to everyone who supported the cake stalls that were held at the Primary athletics carnival and the interschool carnival. It was great to be able to provide a presence among the parents and be a part of such wonderful community events.

The kids love a disco, so we are looking forward to the school disco on Friday the 19th of September. I am still looking for a parent contact person for years 5, 2 and pre primary to be my go to person for the school disco. If you are able to help in any way with setting up or with the various little stalls please contact me on 0400 123 802. We are also looking for people who would like to help out with the Movie night on the 7th of November. Please let Lynette Chidlow know if you would like to help out. We will need people for a variety of roles from small to large. Any help makes a big difference. Lynette: 0408722168.

These are the last two big events of the year and a lovely way to come together as a community.

Rose Mitchell
